Hello my name is Rogelio Rodriguez Jr im  
in regards to my case NO 5709  
I strongly feel I'm not getting a  
fair trial I go to trial the 31st of May  
through 1st Jun. There is a few  
things that concern me I feel  
I have ineffective counsel as  
well. I gave my public defender  
phone numbers and names of  
possible alibis in the beging now  
the courts wont let me call any  
alibis witnesses because I didnt  
present them in time I was incarcerated  
I gave my public defender that info  
he is the one who didnt present it  
in time before pre trial. I also  
asked him to interview the witnesses  
against me before pre trial that  
never happend. I asked my public  
defender to listen to my audio  
the prosecution is using against  
me that never hapend. Prosecutors  
said they used a photo line up to  
Identify me they lied there was  
no foto line up used just one  
photo. I am worried about the fairness

of my trial this case is associated to a petition of writ of habeas corpus I filed Cas NO 17-cv-004-5 in the United States District Court District of Wyoming my trial is coming up after the 1st of jun I have exhausted all remedies please can you look into this thank you for your time much Respect

x Rogelio Rodriguez

Rich,

As I stated in chambers there was no photo-line up given to either of the CIs in Rogelio's felony case. Bate stamped number 38, which you signed for on 2-13-17 was shown to the CIs and was unmarked/unlabeled when done so as the report indicates. Now on page 19 of DCI's report there is a typo as it says "photographs" (which again you signed for this discovery on the same date) when referring to this photograph (bate stamped number 38) and showing it to the CI. Feel free to cross exam SA Steward about that. Thanks.
